

Energietechnik

TÜV SÜD Energietechnik GmbH Baden-Württemberg
– a Company of the German Technical Supervisory Association TÜV SÜD AG –

hereby confirms to

SIPOS
AKTORIK

A member of the AUMA Group

SIPOS Aktorik GmbH
Im Erlet 2, 90518 Altdorf

that their electric actuator series

Electric Rotary Actuators for Nuclear Installations
Version SIWI, SIWI-AS und SIWI-AS-LZ
Type Designations M76361/62/71/72

have been type-tested.

The requirements of the relevant technical regulations, especially of the German Standard
KTA 3504, Edition 11/2015

„Electric Drives for Safety Systems in Nuclear Power Plants“
are hereby certified as being fulfilled.

With regard to the 11th addendum to the type-test
(number of original type test certificate T 14-84-01/1 for on-off actuators
and T 14-86-01 for modulating actuators) the following certificate-number
has been assigned and shall be valid for 3 years until 2023-02-06

TSW – 20 – 01

Test-Report No. MAN-ETK1-20-0163, dated 31-08-2020
